

Colombia Outbound Trade Mission

Bogota & Medellin, Colombia

August 23-24, 2023

Colombia is the leading destination for U.S. agricultural exports in South America, followed by Brazil and Chile. It is also the third most populous country in Latin America with 51 million inhabitants. In 2020, U.S. agricultural exports to Colombia were valued at \$2.9 billion. The U.S.-Colombia Trade Promotion Agreement (CTPA) expands opportunities and market potential for many agricultural products. Some of the products with the best sales potential are: confectionary products, wine and alcoholic beverages, tree nuts, processed fruits and vegetables, and healthy food products. Bogota is one of the cities with the highest population (11 million), as well as one of the most industrialized cities in Colombia. Take part in this activity with SUSTA and connect with buyers in one of the most important cities for business in Colombia.
